Dear Parents and Carers,

It has been another busy week in school, with some lovely opportunities for our children to learn beyond the classroom and celebrate their musical talents.

Our Year 2 children enjoyed a fascinating visit to Central Luton Mosque this week, providing a wonderful opportunity to develop their understanding of Islam and experience some of the things they have been learning about in RE.

All the adults who accompanied the children commented on the incredibly warm welcome they received from everyone at the mosque. We were particularly touched by their kindness and generosity, including the lovely gift bags that the children brought back to school. The children represented the school beautifully, showing excellent behaviour, respect and interest throughout their visit. We were very proud of them all. A huge thank you to everyone at Central Luton Mosque for making us feel so welcome and for providing such a memorable experience for our children.

We were also treated to a fantastic guitar assembly from Rhythm Room this week. A special well done to Benji and Astrid, who took part in the assembly and demonstrated their developing musical skills. It was lovely to see them performing with such confidence in front of their peers.

Learning a musical instrument is a wonderful opportunity for children to develop creativity, confidence, perseverance and a lifelong enjoyment of music. We would love to see even more children taking up the guitar, so if your child is interested in learning, please do get in touch with Rhythm Room to find out more about the lessons available. Well done again to Benji and Astrid, and thank you to Rhythm Room for inspiring our budding musicians!

With Black Friday falling on our occasional day this week, I hope families enjoy the extra-long weekend. Whether you're hunting for a bargain, getting started on your Christmas shopping or simply enjoying some well-earned family time, have a lovely weekend. We look forward to seeing everyone back in school on Monday!
