

Dear Parents & Carers

The week began very positively for the girls' football team. Following on from their thrashing of Grove Road Primary School, they were again victorious, this time winning a close fought match by 2 goals to 0 against Brockswood School. Sharleez was again on the score sheet and well done to Imogen P who popped up with the second goal.

At Two Waters we are not just competitive on the sports field. Our Year 5 maths team was again in action as we took part in a local schools competition at Abbots Hill School. The final placings have not yet been announced but I know that the children did very well and really enjoyed taking part. Well done to Ines, Zara, Nathan and Reuben.

During the final week of term we will be holding an Enterprise Week at school. Each class will be given a loan of £50 and will then be set the challenge of growing this and seeing which class can make the largest profit. Each class will decide whether it will offer a service, make a product or even put on a performance as they seek to make the largest profit. In doing this the children will need **your** support! I would like to invite all parents to come into school at the end of the day on the last day of term (Friday 5th April). The classrooms will be full of things that you can spend your money on and of course all money raised will be reinvested in the school. The event will start immediately at the end of the day and please remember that as it is the last day of term, all classes finish at **1.30pm**.

Parents of children in **EYFS** will already be aware that children in Nursery and Reception are holding their performance of Farmer Duck at 10.00am on **Wednesday 3rd April** as their contribution to Enterprise Week. Therefore, whilst these classes will not be taking part in the activities on the last day of term, parents of EYFS children can still come into school to visit the other classes.

I have noticed that parking is again becoming an issue in and around the school. Can I please remind you that it is illegal and not safe to park on the yellow zig zags on High Ridge Road as this is where children cross the road. Please also do not drive into High Ridge Close which is always busy with children and families.

Bucket Filler of the Week
