

Dear Parents & Carers

The cold weather certainly seems to have arrived and I am happy to report that the boiler is working well and keeping us warm and toasty! Should the weather worsen and it not to be possible to open the school at any point we will of course notify you at the earliest opportunity via ParentMail. Any closure of the school will also be displayed on the front page of the website. Please rest assured that school will only close in extreme weather conditions which mean that either the site is unsafe or it is not possible for staff members to get to school.

Many of the children will be coming home with Attendance certificates today. These certificates are for children who came to school every day for the whole of the Autumn term. It is excellent to see so many children who have not missed a single day at school; I look forward to seeing if they can keep this going throughout the Spring Term!

After school today the boy's football team will be in action. They are determined to win 3 points against local rivals, Hobletts Manor Junior School. Please come along to cheer the boys on if you are available.

Year 5 - Please remember the first instalment of £54.35 for the PGL trip is due **by Monday 28th January 2019**. Cheques should be made payable to Two Waters Primary School or you may wish to pay on-line via Wisepay.

Headteacher's
