

Dear Parents & Carers

Welcome back, I hope that all you had an enjoyable Easter break and were able to make the most of the sunshine.

Staff spent the inset day here preparing classrooms for the new term and updating our first aid training through the St Johns Ambulance Training Centre.

The last day of term was a fantastic success as we held the final day of Enterprise Week. It was wonderful to see the school so full with parents and members of the school community. The children and staff had worked so hard all week to ensure that the day was a success. The table below shows how much money each class raised. The money raised will be used by the school to buy an exciting new Maths scheme of work.

Reception & Nursery	£165.36
Year 1	£116.31
Year 2	£172.15
Year 3	£327.16
Year 4	£195.90
Year 5	£257.75
Year 6	£425.80
TOTAL	£1615.43

You will hopefully have noticed that the very old and dilapidated storage shed on the KS2 playground has been finally removed and replaced with a shipping container. The old shed could not have been demolished without the help of some of our parents who generously gave of their time. I have written to these parents on behalf of the whole school community to thank them. Whilst the new container will be far more practical it does look rather plain in its current state, therefore, we will be working with the children to come up with some exciting and colourful designs to help bring the container to life.

Watford Football Club visited on Wednesday to begin a ten week programme with our Year 6 class. These workshops consist of one-hour 'Positive Mind' sessions combining classroom and practical based learning covering the topic of mental health. The topics covered will include; Resilience, Body Image and Living Well, Internet Safety, Anxiety and Stress, Building Positive Relationships and Growth Mindset. We know that this work will greatly benefit the children as they move towards Secondary School.
