

Dear Parents & Carers

I would like to begin this week's Newsletter by congratulating all of the children in Year 5 for their fantastic performances in this morning's class assembly. They acted, danced and sung their hearts out as they showcased what they have learnt about – The Anglo Saxons. The assembly was of an incredibly high standard, so well done to all of the children and adults involved in its planning but especially to Mrs Hunter for putting the whole performance together.

Year 4 have been very busy this week as they have been taking part in the Level 1 Cycle Training. The children have been taught how to keep themselves safe whilst cycling in the community and were praised by the instructors for their hard work and listening skills.

All of the children looked especially smart yesterday for the visit of the school photographer! The proofs looked excellent and I am sure that you will be impressed with the actual photos when they are sent out via the school office.

I would like to extend a huge thank you to the volunteers from the FTW who once again gave up their time to set up and man the Mother's Day gift tables. The children loved the presents they bought for their mums and this always raises lots of money for the school as we strive to purchase our new outdoor learning space.

As you are already aware next week is Enterprise Week. The children are already planning how they will be spending their £50.00 in order to make the most profit. I must say I have been particularly impressed by the start made by Year 6 who have been extremely proactive before Enterprise Week has even begun! Thank you so much for the parents in Year 6 who have donated prizes for their balloon raffle and well done to the children who wrote to local companies asking them to donate to their balloon raffle. Prizes on offer so far include; a meal for two at the Paper Mill with a bottle of wine, MOT voucher, Argos voucher, chocolate hamper to name but a few! Parents of children in EYFS please remember that Nursery and Reception classes are holding their Farmer Duck show on Wednesday 3<sup>rd</sup> April at 10.00 a.m. as their contribution to Enterprise Week. We look forward to welcoming all other parents into school on Friday 5<sup>th</sup> April at 1.30 – may the best class win!
