

Nursery Newsletter

Autumn 1 – Week 3 – 18th September 2026

Dear parents and carers,

We have had another fantastic week in Nursery! The children are settling in well and are beginning to follow our daily routine with growing confidence. This week, we've been exploring the books we enjoy reading at home and listening to some of our favourite stories together. It's been lovely to see the children so engaged and excited during story time. In Maths, we have been singing counting rhymes such as 'Five Little Speckled Frogs' and encouraging the children to use their fingers to represent numerals 1 to 5. Great work this week Nursery!

Have a lovely weekend,
The Nursery Team

Noticeboard

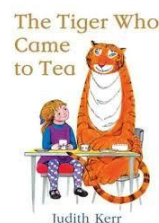

Nature walks (wellies) - every Thursday (rain or shine!)

Library - every Friday

This week we have been learning...

Story of the Week

This week we have enjoyed reading 'The Tiger Who Came to Tea' by Judith Kerr.

Nursery Rhyme of the Week

This week we have been singing 'Twinkle Twinkle Little Star'.

Numeracy

In Numeracy, we have been singing counting rhymes such as 'Five Fat Sausages' and 'Five Speckled Frogs'. We are learning that our fingers can be used to show a number. The children have enjoyed turning themselves into characters from our counting rhymes and it's been lovely to watch them continue our singing activities in learning through play.

Nature walk

This week we went on our first Nature walk. The children explored the Early Years garden and we looked at the different areas and resources. We discussed how to tidy up and how to put our toys away in the correct place.

Literacy

This week we have been listening to some of our favourite stories. The children have been impressing us with their good sitting and listening skills.

Makaton sign of the week

'Hello'

Home Learning

Why not have your own nature walk this weekend? Talk about the seasonal changes you can spot around your local environment. Talk about what you can see, hear and smell.

Notice Board

Library Books

Our class library day is on Friday. Each week your child will choose their own story book for you to read together at home. Please return the library books each Friday morning so your child can choose a new book to share!

Independent Skills

We aim to teach the children to be very independent from day one, such as, opening their own lunch, zipping their coats, changing their clothes and going to the toilet. Please ensure your child can recognise their own toileting cues and can independently go to the toilet, flush the chain and wipe themselves. We understand that accidents will occur in school from time to time, where we can support your child. Please pack plenty of spare underwear in their school bags.

Spare Clothes

Our learning in Nursery can get very messy! Mud from our sensory kitchen, water, sand, paint and more! Please ensure to pack plenty of spare tops and bottoms. You can keep a bag of spares in nursery if you prefer. Please remember to keep topping up your child's spare clothes bag once they have had an accident.

Lunches

The children have been superstars at lunchtime. Can we ask you to please pick your child's lunches with them at home and put their choices onto Arbor. This includes if your child will be having a packed lunch from home.
