School News

Dear Parents and Carers,

Welcome back to the second half of the spring term. I hope you all had a restful half-term break and that the children have returned refreshed and ready for the weeks ahead. As always, it has been a pleasure to see the energy and enthusiasm with which the children have come back into school.

Our swimming pool is fully up and running on the KS2 playground and what a success it has been already! The children are absolutely loving their lessons. For many, this is their first opportunity to swim regularly, and it has been wonderful to see confidence growing session by session. Thank you also to those parents who have generously given their time to help us in supervising the sessions.

This week we have also marked the beginning of Ramadan. A special mention must go to Alaina in Year 6, who confidently led a thoughtful and informative assembly to help us all understand the significance of this important time for Muslims around the world, alongside Mrs Siddique. She spoke about reflection, generosity, self-discipline and community; values that resonate strongly with our own school ethos. We are very proud of the maturity and leadership she demonstrated.

We were delighted to welcome David Taylor, our local MP, to school today. He spoke to the children about his role in Parliament, how laws are debated and passed, and what it means to represent a local community. The children certainly rose to the occasion, asking thoughtful, probing questions and, at times, giving him quite the grilling! It was a wonderful example of our pupils engaging with British Values, particularly democracy and respectful debate. We are very proud of the confidence and curiosity they showed.

I would also like to extend a huge thank you to Findel Education, who have generously donated new playground equipment for all year groups, learning resources for EYFS and some new P.E equipment. We are very grateful for their generosity and can't wait to start putting the new equipment to good use!
