

School News

Dear Parents and Carers,

It has been another very positive and busy week at Two Waters, with lots to celebrate across the school.

A big thank you to the Friends of Two Waters for organising the gift tables this week. The children always really enjoy choosing a small surprise for their families and these events continue to be very popular. We are extremely grateful to the FTW team for their time and commitment in organising events like this, which not only bring enjoyment to the children but also raise valuable funds to support the school.

Yesterday morning, members of our Governing Body visited the school to take part in a science learning walk. They spent time in classrooms looking at how science is taught across the school, speaking to pupils about their learning and seeing the fantastic work taking place. The governors were very positive about what they saw, particularly the children's enthusiasm for science and the quality of discussion about their learning.

Our EYFS chicks have now gone to their new home with Mr & Mrs Collman, Two Waters Parents. We look forward to hearing home they settle in.

Last year's chick were adopted by Mrs Hughes in the School Office and are now happy egg laying hens.

Today marked the final day of our current swimming block. The children have thoroughly enjoyed the opportunity to develop their confidence and skills in the water, and it has been wonderful to see the progress they have made.

A special thank you to the parent volunteers who have given up their time to support the sessions – we simply could not run swimming without your help. I would also like to thank our fantastic swimming coaches who have worked so well with the children and provided such positive and inspiring sessions.
