School News

Dear Parents and Carers,

What a busy week we have had at Two Waters! We are incredibly proud of the breadth of opportunities available to our children and the dedication of our staff in making learning engaging and memorable.

I would like to begin by wishing Eid Mubarak to all of our families who are celebrating. We hope that this is a special and joyful time spent with family and friends.

Well done to our Year 4 children who shared a fantastic assembly this morning all about their learning on the Romans. The children spoke confidently and demonstrated a great understanding of this fascinating period in history. It was lovely to see how much knowledge they have gained and how well they worked together to present this to parents.

It has also been a very musical week at Two Waters. On Monday, we enjoyed a fantastic Rocksteady concert where all of the bands performed brilliantly. A big thank you to Ollie for his continued work inspiring our young musicians. We also enjoyed a wonderful piano assembly this week. Thank you to Mrs Ashfield for organising this and for the encouragement she gives to our budding pianists. We really do love live music at Two Waters and the opportunities it gives our children to develop confidence, creativity and a love of performance.

Tuesday saw our Year 6 pupils benefit from a very interesting visit from a local magistrate, who spoke to the children about the justice system and the important role of the law in society. We were also delighted that Mrs Hughes and Miss Sassoon were able to take our Reading Challenge winners to Waterstones to choose a free book, followed by a well-earned treat at Starbucks.

On Thursday, Year 2 enjoyed an exciting trip to the Chiltern Open Air Museum, where they were able to experience history in a hands-on way. At the same time, we welcomed our School Improvement Partner, Mr Rowlands, who spent time in school looking at our science provision.
