

School News

Dear Parents and Carers,

Our Boys' B Team were in action again this week in a fixture against our local rivals, Bovingdon. As you can imagine, I was particularly pleased with the result, a well-earned 2-0 victory! Goals from Gabriel and Jacob C secured the win, but what stood out most to the coaches was the team spirit, effort and support shown for one another throughout the match. A big thank you to Mr Hillebrand and Mr Croft for their continued commitment in coaching and supporting the team.

On Thursday, Year 5 welcomed a visitor from Radlett Synagogue as part of their RE learning. It was lovely to welcome Yvonne, who was a former governor of the school. She spoke to the children about Jewish beliefs and practices, and was incredibly impressed with their knowledge, thoughtful questions and respectful attitudes. It was a fantastic enrichment opportunity and a real credit to the children.

We have a new member of staff at Two Waters from this term. Please join me in welcoming Miss Jaanin as a Teaching Assistant. She will also be supporting in Breakfast Club each morning.

It has also been great to have Mr Proudfoot back in school over the past two weeks. He has made a really positive contribution during his time with us and it has been lovely for both staff and children to see him again. He returns to university next week, but we look forward to welcoming him back later in the summer when he resumes his role as a Teaching Assistant.

Looking ahead, we are keen to begin developing a new outdoor space on the edge of the KS2 playground, where the old summer house used to be. The aim is to create a calm, inclusive area for those children who may not always want to engage in ball games; somewhere they can read, chat with friends, or play board games in a quieter environment.

We would like this to become a space that all children can enjoy as they move through the school, supporting wellbeing, social interaction and inclusivity.

To help bring this to life, we are looking for support from our community. In particular, we would welcome:

- Wooden outdoor furniture (benches, small tables)
- Shrubs, plants or materials to help define and soften the space
- Any other suitable outdoor resources that could support a calm, welcoming environment

If you are able to help in any way, or know someone who might be, please do get in touch, your support would make a real difference.

Mr Gately
