## School News

Dear Parents and Carers,

It has been another busy and enriching week at Two Waters, with lots of opportunities for children to learn both in and beyond the classroom.

All week, a group of Year 5 pupils have been taking part in Bikeability training. This is a fantastic programme that supports children in developing essential cycling skills, awareness and independence. The children have moved from practising basic skills to riding out on local roads. It has been wonderful to see their confidence grow, and they have approached the training with maturity and responsibility throughout.

On Tuesday, Years 5 and 6 took part in a Cybercrime workshop delivered by Hertfordshire Police. This was an extremely valuable session, helping pupils to develop their understanding of how to stay safe online, recognise potential risks and make informed choices when using digital technology.

On Wednesday, Years 3 and 4 competed in a Tag Rugby tournament at Camelot Rugby Club. The children represented the school exceptionally well, demonstrating great teamwork, resilience and sportsmanship throughout the event. It was pleasing to see them applying the skills they have been developing in their recent sessions. A big thank you to Peter Clarke for his ongoing coaching and for supporting the children on the day.

This morning, Year 2 shared their class assembly with us, focusing on their learning about living things and their habitats. The children spoke clearly and confidently, sharing their knowledge with real enthusiasm and pride. It was a lovely opportunity for them to showcase their learning, and they should be very proud of their performance. Thank you to Mrs Clewley for all of her hard work in preparing the children so well.

As a reminder, if children would like to bring a snack into school to eat at breaktime, this should be a healthy snack such as a piece of fruit, supporting our aim to promote good habits and wellbeing across the school.

In addition, we would like to draw your attention to our Sustainability Survey, which has recently been sent out to parents. We have received around 50 responses so far, but it would be really helpful to gather a wider range of views to ensure we can plan effectively for the future. If you have not yet had the opportunity to complete the survey, we would very much appreciate you taking a few minutes to do so. Your feedback will play an important role in shaping our approach to sustainability at Two Waters.
