School News

Dear Parents and Carers,

Welcome back! I hope everyone had a wonderful half-term break and managed to stay cool during the exceptionally hot weather. It has been lovely to see the children return to school refreshed and ready for the final half-term of the academic year.

The children really enjoyed coming to school in non-uniform today and began looking forward to the FTW Summer Hoedown on Saturday 4th July. Thank you to everyone who sent in donations today. Events such as these would not be possible without the generosity and support of our families, and we are very grateful to the Friends of Two Waters for all of their hard work behind the scenes in organising what promises to be a fantastic event for our school community.

On Wednesday, Year 3 enjoyed their trip to Rickmansworth Canal, where they learned more about the history and importance of the waterways. Although the weather was far from ideal, the children showed great resilience and enthusiasm throughout the day, making the most of the experience despite the rain. Thank you to the staff and volunteers who accompanied the trip and helped ensure it was such a success.

On Thursday, our Year 3 Maths Challenge Team represented the school brilliantly in a local maths competition. The children demonstrated excellent teamwork, problem-solving skills and perseverance when tackling a range of challenging mathematical tasks. We are very proud of the way they approached the competition and the positive attitude they displayed throughout.

Today marks the beginning of an exciting new experience for our Year 6 pupils as they take part in their first skiing session at The Snow Centre. Over the coming weeks, the children will have the opportunity to develop new skills, build confidence and challenge themselves in a completely different environment. We are delighted to be able to offer this opportunity using Sports Premium Funding, ensuring that all Year 6 pupils can take part. We look forward to hearing all about their experiences and seeing their progress over the coming weeks.

Mr Gately
