School News

Dear Parents and Carers,

Mrs Lemarie's SENDCo Surgery on Friday was very productive, and we received some really positive feedback from parents who attended. Mrs Lemarie continues to do fantastic work in supporting our children and families and is always available if you would like to discuss any potential SEND needs or concerns regarding your child. Please don't hesitate to get in touch with her through the school office.

The date for your child's Meet the Teacher session can be found below. These sessions are a great opportunity to meet your child's teacher, find out more about routines and expectations for the year ahead, and ask any questions you may have. If you are unable to attend, the PowerPoint from the session will be available on your child's class page on the school website.

On Friday, our Year 6 children were very excited to be allocated their Reception Buddies for the year! This is always such a lovely part of life at Two Waters, with our oldest children taking real pride in looking out for, supporting and getting to know some of our youngest children. We look forward to seeing these special friendships develop throughout the year. Our Buddy Assembly will take place on Friday 2nd October, when we will celebrate the start of their year together.

Headteachers Award Sam Howes

Sam is a wonderful role-model for his peers, due to his kindness and impeccable behaviour. He has also really impressed me with his resilience this term, and I know that he will truly shine in Year 6.

Proud to achieve Proud to care
