Dear Parents and Carers,

It was lovely to see all the children looking so smart for their school photographs last week. We are looking forward to receiving the printed photographs and hope you will be pleased with the results.

Next week, we will be holding our Parent Consultations, and teachers are looking forward to meeting with you to discuss your child's progress and how they have settled into the new academic year.

A polite reminder that all appointments will begin promptly and last for ten minutes. We would be grateful if you could arrive in good time, as appointments are scheduled closely together. Unfortunately, if you arrive late and miss your allocated slot, we will not be able to accommodate you later that evening, and a new appointment will need to be arranged.

We would also encourage you to arrive a little earlier to give yourself the opportunity to look through your child's books (Years 1–6) and see the wonderful work they have produced so far this year. The children always enjoy knowing that their parents have had the chance to see what they have been learning!

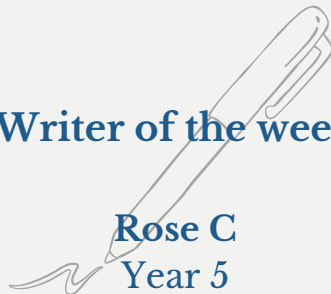

We are also delighted that Chorleywood Bookshop will be joining us for the consultations. This fantastic independent bookshop offers a wonderful selection of children's books, and their knowledgeable staff will be on hand to recommend some of the latest and most exciting children's literature. Do take the opportunity to browse their selection and perhaps discover a new favourite author or series for your child!
